New Curriculum

Starting in April, we will introduce a new curriculum called Grow. This platform will allow us to streamline our Bible Class and Children's Church sessions in one place. With Grow, we will also provide a monthly devotional for parents. This devotional will outline the topics we will cover with the children and offer guidance on how to continue the discussions beyond Sunday.

UNIT 1 RECAP

- Our hope is that by the end of this unit, our children will not only enhance their prayer skills but also understand who, what, and when to pray.
- Throughout this unit, we have been guiding our children in worship in preparation for forthcoming events such as Easter Sunday, Revival, and VBS.

VBS 2025!

VBS registration opens April 20th! All church members can use the code: TCKIDS to get \$10 off their registration. Early Registration ends on May 30th. All registrations includes a shirt.

Connect Kid's Music

Join us in practicing these songs with your children:

- Unstoppable God - Israel Houghton
- No Longer Bound - Maverick City
- In the Room - Maverick City
- Trust in God - Elevation Worship
- Promises - Maverick City

COMING UP IN UNIT 2

With Grow, our lessons will be themed every month vs our quarterly themes. This is what we will be going over for the next unit.

April- Full Bloom. Kids will learn all about the life, death, and resurrection of Jesus as he sowed the seeds of new life in the world.

May- What's Next. Kids will see how Jesus' followers solved the puzzle of what to do next and the ways we can follow in their footsteps.

June- Fired Up. Kids will follow the life of the prophet Elijah, whose ministry involved a lot of fire and bread as he formed a special relationship with God.
